

So, if I ...  
go along,

you will  
grant my  
request?

Chapter Four

# Haut Prince

Speak.

Grant  
to me

That  
you  
will

submit

to the  
High King  
on the  
morrow.

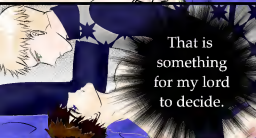

And

...you  
think you  
are worth  
that much?

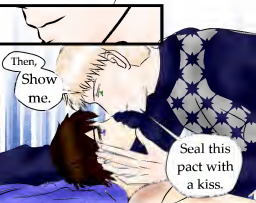

...

That is  
something  
for my lord  
to decide.

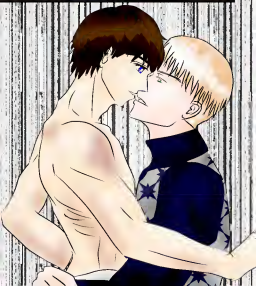

Very good,  
if you're a  
mother kissing  
her child.

Let me

show  
you

how it's  
done.

But a word  
of advice-

You shouldn't  
sell yourself  
so cheaply.
